Help us improve MetaMask

We'd like to gather basic usage and diagnostics data to improve MetaMask. Know that we never sell the data you provide here.

Learn how we protect your privacy while collecting usage data for your profile.

When we gather metrics, it will always be...

- \checkmark **Private:** clicks and views on the app are stored, but other details (like your public address) are not.
- $\begin{tabular}{ll} \hline \checkmark & \textbf{General:} we temporarily use your IP address to detect a general location (like your country or region), but it's never stored. \\ \end{tabular}$

We'll use this data to learn how you interact with our marketing

communications. We may share relevant news (like product

We'll let you know if we decide to use this data for other purposes. You can review our Privacy Policy for more information. Remember, you can go to settings and opt out at any time.
